The Foreword

IN this, the third volume of the SUNDIAL, we have endeavored to record accurately and clearly, pictorially as well as verbally, the history of this school year.

We hope that in future years, these printed pages will bring back to all of you happy memories of the year 1927-1928.

The School

Over the gates of the oldest college in the U. S. is the inscription: "*Enter here that ye may gain wisdom.*" It is to be hoped that the boys and girls who have attended Sunset may have inhaled some faint odors of the fragrance of wisdom, even if attained at the expense of learning.

THE present adminstration began activities in May 1927 by entertaining the faculty with a picnic at Cliff-Dale Country Club and by giving the June graduating class a luncheon.

The membership dinner was held in September, followed by a house warming in November for the new members.

Following precedent, we gave a $25.00 savings account to the pupil with the highest average for four years in each graduating class.

We furnished art equipment needed for the art room, also donated furnishings requested by the Stampede Staff for their publicity room. Student aid was rendered for needy pupils in our school and a donation of $25.00 made to the Welfare Fund of the Council.

Both graduating classes of 1928 were entertained and the stage decorated for graduation exercises. The faculty were entertained.

The annual dues to the Texas Press Association for the Stampede Staff were paid and pins presented for members of the Staff. The Association framed and presented to Mr. Wilson, principal, a life membership in the State Congress of Parents & Teachers bought by the former administration, and also gave Mr. and Mrs. Wilson a blue bonnet painting at Christmas time.

The study of "Adolescent Psychology" begun last year continued, and speakers of note lectured at each general meeting.

THE Dads' Club, formerly known as the Dads' Section of the Parent-Teachers Association, was established as a separate organization at the December meeting of the dads, it being believed that better results could be obtained by operating as an independent group. However, the new club has co-operated closely with the P. T. A. in all matters in which the mothers' organization needed aid by the dads.

Among the activities conducted or sponsored by the Dads' Club this year have been a number of movements designed to assist and encourage the athletic and scholastic interests of Sunset students. The club was squarely and enthusiastically behind Coach Bushmann in his successful campaign for a championship football team. It raised a fund to cover hospital bills of injured players; co-operated with the Dallas-Oak Cliff Commercial Association, The Dallas Times-Herald and News-Journal in providing proper public recognition of the great record made by the Sunset Bisons; and with the assistance of the mothers raised the fund for purchasing the sweaters awarded to the letter men of the squad.

The club was also active in securing employment for Sunset students and in seeking additional scholarships for Sunset graduates.

In the fall a committee was appointed, with Mr. Fred Buford as Chairman, to urge the paving of Jefferson Avenue in front of the school grounds, and promises were obtained from the city and county authorities to complete this improvement as soon as conditions permit. Mr. J. T. Conroy has been appointed chairman of a committee to secure the improvement of Oak Cliff Boulevard along the east end of the grounds.

The club has held regular meetings on the first Thursday of each month throughout the current school year.

A Mournful Wail

Did you ever try to do
Any work—on either staff?
Well, it's a cinch it's not a "job"
That would make you want to laugh.

Now everything that we turn in,
Though written our best way,
May be turned 'round a dozen times;
We haven't got a say.

We must do this, we must do that,
Be sure it's done right now,
'Cause when that's done there'll be some more
For us to do—(and how).

But if we'd stop to think a bit,
When all's been said and done,
Although it is just lots of work,
At that, we have our fun.

THE STAFF.

Classes

Seniors

To the Seniors of January, 1928:

At last you have reached the port of graduation, and here we must leave you to choose the ship you wish to sail on the sea of life.

I see tramp steamers with no definite course, enticing the sojourner to merrily and heedlessly cruise the seas.

I see palatial ships on the line of success. To board these latter ships means years of honest endeavor, a narrower course, and a higher aim.

As I turn back to the inland to find other travelers to guide, I pray that you choose wisely and sail the right ship.

"Like the scars, the broken boughs and the
fallen grain
The vain regret is with us yet
And though the world may never see
Deep down within our memory
You still remain"—

ADELHEIT DETTMANN.

Now that this dream has come true, do not quit dreaming, but plan other things that will be even finer than this. Persevere, as you have done here, and soon your other plans will become realities just as this one has done.

Continue to cultivate the friendships formed in high school and treasure the memories of the days spent here.

Our Farewell

Dear old Sunset, as we take our leave,
There is one thing we hope you will believe:
We've all been loyal to the Purple and White,
And yelled our throats sore at every fight.
We've stood by you through thick and thin,
And prayed for strength that you may win.
We think of the glories that come to our boys
When they smashed their opponents like so many toys;
We think of the glorious good times we've had,
And the few little things that have made us sad.
So here's to the Purple, and here's to the White!
We'll stand by you always with all our might!

—Ruth Clark.

To the 4B's:

IT is with joy indeed that I have joined the ranks of your army as you are marching to that famous and long-appointed rendevous of graduation.

All cannot be generals, yet there is glory in being good privates, of the stuff that "Men" are made of. Charge toward your goal with high hearts, iron nerves, and the zeal to succeed.

Luck to you!

ADELHEIT DETTMANN.

To the January Class of 1930:

DO not wait until you are Seniors to assume your share of high school responsibilities. Work and play in reasonable proportions.

Above all, be reliable, dependable, always trustworthy. Conduct yourself so that you may never have cause to be ashamed of your high school career.

EULA PEARL SMITH.

To the Class of June, 1930:

I AM sorry that I have been unable to become personally acquainted with every one of the two hundred and fifteen members of the II A class.

I hope you will strive to carry on your Junior and Senior activities with ever increasing energy, with loyalty to your class and school, and with the earnestness representative of a worthy Sunset student.

"You can do what you think you can. You may succeed when others do not believe in you, but never when you do not believe in yourself."

Sponsor's Message to Class of June, 1931:

You have passed the first mile post in your high school career. You have yet before you three years—three golden years. Let us hope so; and let us remember that Work goes hand in hand with Hope, and the third companion of these two is Joy. May each of you live his allotted number of years and have as his companions these three—Work, Hope, and Joy.

MARTHA WATSON.

The Stampede

DURING the year 1927-28, under the leadership of Mrs. Kyle B. Price and Evelyn Mae Coffey, the third set of *Stampede* magazines has been compiled and published successfully. Sunset High School is very proud of her magazine. Does it not give the students a chance to display their talents? Therein are found the works of our poets, artists, novelists, and reporters.

The *Stampede* has aided wonderfully in the development of school spirit during Sunset's three years. Through the *Stampede* every student is given an opportunity to take some part in the school activities.

At the annual meeting of the Texas High School Press Association at Belton, December, 1927, the *Stampede* was adjudged the second best edited monthly of all the high school magazines of the State. Sunset hopes, next year, to win back the cup which was hers in 1926.

Sunset has reason to feel fortunate in having a lady with so much ability and untiring devotion for the sponsor of its magazine. Without Mrs. Price the magazine could never have done so well.

THE Latin Club was organized under the direction of Misses Helms and Edwards, teachers of Latin, to promote a closer union between teachers and pupils, to obtain a greater knowledge of Roman customs and literature, and to form a closer tie among students of Latin. The regular meeting is held on Thursdays, with one social meeting each semester.

The Ad Ridendum, always a special feature of the club and the literary numbers such as the meaning of the Saturnalia; a Day in Roman School; Roman Superstitions of Our Own Time; and Roman Women, have been especially enjoyable.

Latin Tournament

THE chief concern of the Latin Club at present is to foster the activities of the Latin League Tournament. In this connection the essay contestants have already been determined. They are as follows:

Barbara Wilson	Fourth Year
Marjorie Allison	Third Year
Alice Hoover	Second Year
Hugh Hall	Second Year
Evelyn Washburn	First Year
Stewart Evans	First Year

The elimination contest to determine the Sunset representatives for the written examination at Commerce, April 13, was held two weeks prior to that date.

THE Spanish Club has certainly done its part this year to keep Sunset always doing something new. One of the biggest fiestas ever seen was given by the Spanish Club. Then, too, Sunset's Spanish Club furnished all the music at the Spanish poetry contest at Bryan.

At the present there are about seventy members in the Spanish Club there are hopes of having a good many more members by next year.

The French Department

IN September, 1926, it was found that only twenty pupils were enrolled in the French Department from the preceding term. In January, 1928, one hundred and ten pupils were taking French. Surely, there must be something exceedingly interesting and worthwhile in the French Department to cause such a remarkable growth!

Well, the language "speaks" for itself! No more interesting, beautiful, or musical language may be found than that of the French. It is also a universal language, and one which would help a person in the study of any of the other Romance languages. How, too, could one have a complete education and be entirely cultured this day and time, without at least a general idea of French? He could not be, for French is the language of culture.

Besides regular class-work, required in the Teachers' Handbook, the pupils of the upper classes studied plays, and stories, while the pupils of the lower classes read French magazines and

newspapers. The pupils of French work doubly hard on all these things, for the French Department has a custom by which the pupil who makes the highest average for the entire semester receives a beautiful gold medal. The pupil presented with this honor for the Fall Term was Annie Campbell, a student in the French IV class. It is not yet known who will be the honored one for the Spring Term.

This year, all the High Schools of Dallas are showing what the different Departments of each school are doing, by exhibiting the work at Fair Park, early in the Spring. The French Department of Sunset will have in the exhibit: French stamps, collected by various students of French, French coins of different sizes and valuations, maps showing the old provinces of France, and books containing pictures of the different cathedrals, castles, summer resorts, cities of interest and costumes worn by the French peasants in different provinces. This list of interesting things would not have been quite complete without the list of French words the upper classmen found in our every day English which came, without a change, from the French language.

The French Department boasts of one of the finest clubs in Sunset. Le Cercle Francais holds its meetings, regularly, each week. Carefully planned programs, consisting of music, speaking, and business discussions are carried out. When the Fall term began, the Club held a grand Initiation of the Freshmen members. The usual tricks were played on the poor, unsuspecting children, after which they were fed generously, and made to forget their troubles. The two divisions of the French I class held a contest in which the losers were to entertain the winners with a weiner roast. The French I-1 class gave the French I-5 a very successful dance at Cliff Dale Country Club, on March 31, a banquet honoring the Senior members of the Department, a flower battle (after an old French custom of the Riviera), the presentation of a clever French play, and picnics galore.

Any one who wishes to learn a wonderful language, know a highly interesting teacher, and have truly good times is welcome to the French Department presided over by Mrs. Odette Smith, one of the finest teachers anywhere.

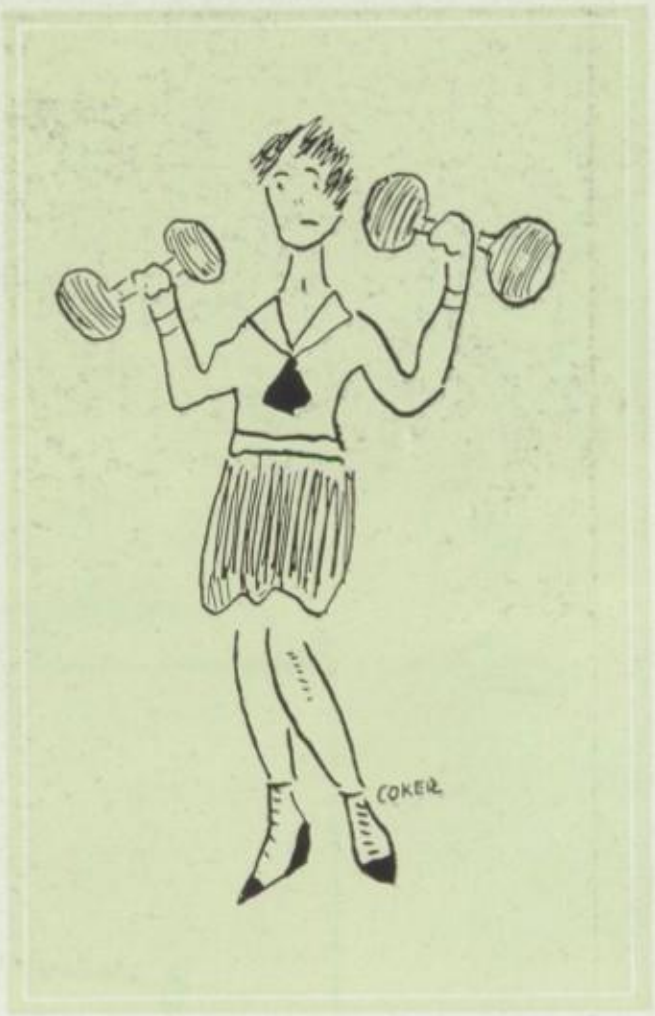
The Junior Hi-Y, which is a product of the Senior Hi-Y Club, was organized in February, 1927. The membership is made up of twenty-five Freshmen and Sophomores of good standing in the school. Meetings are held every Friday night at the Y. M. C. A. Building. The purpose of the Junior Hi-Y is the same as that of the Hi-Y Clubs throughout the nation, "to create, maintain, and extend throughout my school and community high standards of Christian character."



Physical Training

Nutrition Class

THE Nutrition Class consists of Gym pupils only. It was organized under the direction of Miss Thoene. The purpose of this class is to help the girls who are eight or more pounds underweight to gain weight. Each girl is weighed every month. Her height is measured the beginning of each term; together with her weight and age her correct weight is determined.

The girls who are in this class use the last five minutes of one study hall period each day, to drink either a half-pint of sweet milk or a cup of hot chocolate with two graham crackers. No, the girls are not allowed to drink this with their lunch; they must drink it on an empty stomach.

It has been figured out that the average girl gains five and a half pounds or more in 18 weeks.

Teachers have reported that the nutrition girls are doing better work than usual. Mothers are in favor of this class also. The class consists of 151 members.

Volley Ball—Gym

EVER since Sunset started three years ago, volley ball has been one of the major sports in the Physical Training Department. Teams were organized in each class, and the Varsity team was selected from the class teams.

The first year the members of the Alumni Team, who were composed of the Oak Cliff High School members, played the Varsity Team. The Alumni Team was victorious and thus far have kept a clean slate. There is much competition between the Alumni and Varsity teams and each looks forward to the coming year so that they may try for honors.

Each team during the volley ball season has a work-out every morning and is very faithful about training. The volley ball tournament is held before school and the members have plenty of pep and interest to get up early and be on time.

The following girls were this year's members including both Alumni and Varsity teams:

Zethal Bane
Ernestine Bauman
Ruth Curry
Ruth Guinn
Fredda Hale
Fern Henley
Helen Hopson
Lucille Lanius
Eula Morgan
Frances Read
Minnie Talbot
Faith Wayne
Verna Wotawa

Baseball Team

THE winning baseball team of the entire Physical Education Department was chosen by a process of elimination. Each of the four classes was divided into baseball teams. The winning team of that class played against the winning team of the other classes. Most of the tournament games were played out on the playground before school, from 8:00 to 8:30. From all the winning teams the best players were elected to play on the Sunset Baseball Team. This group played the Alumni Team, that is, those girls having received baseball letters from previous years.

The following girls made the team: Fern Henley, Nellie Campbell and Zennita Hollingsworth, from the Second Period Class; Ernestine Bauman, Sara Lee Little, Frances Read, Jean DeWitt, Jessie Mae Stephens, Ann Wilkinson, Ruth McLemore, Lovena Short, Verna Watowa, Lois Armstrong, DeLois Morris, Genevieve Huitt and Ethel Bailey from the Eighth Period Class; Ruth Langley from the Seventh Period Class. These girls received baseball letters for their ability to play good baseball.

Hiking Squads

HIKING was introduced in the Gym Department for the first time in 1927. Five squad leaders—Mary Barnett, Minnie Talbot, Verna Wotawa, Aline Good, and Naomi Griffith —were appointed by Miss Thoene. Each leader was in charge of a squad of ten girls and had a certain day on which to hike.

In order to promote interest, an emblem in the form of a Bison was offered as a reward to the squad that hiked the greatest number of miles. This emblem was designed by Lucille Lanius, a member of the Physical Training Department.

The number of miles hiked by each squad was as follows: Mary Barnett 32, Minnie Talbot 43, Verna Wotawa 53, Aline Good 115, and Naomi Griffith 116.

Since Aline Good's and Naomi Griffith's squads ran such a close race, the emblems were awarded to the members of both squads.

Sunset Dippers

THE Sunset Dippers was a group of girls from the "gym" classes of Sunset who took a dip every Tuesday and Thursday for eighteen weeks in the Y. W. C. A. pool.

The purpose of this club was to prepare for passing the Life Saving Course given in March.

Forty-nine girls enrolled. The most faithful members were Kathleen Carter, Catherine Bentinck, Doris Davis, Evalyn Harper, Merle Smith, Edra Erickson, Grace Garvin, Anna Catherine Strobel and Eileen Brown. As a favor of the Y. W. C. A. they were given a special rate.

Six of the girls were chosen to be in the Water Pageant given by the Triton Club at the Y. W. C. A.

The girls enjoyed swimming at the Y. W. C. A., and it has been said by some of their parents that it has helped them both mentally and physically.

Junior Life Savers

LAST Spring, as an outside school activity, a group of girls was organized for the purpose of improving their swimming so that they might become members of the Junior Life Saving Corps. This group was under the supervision of Miss Williams and Miss Lang, Y. W. C. A. swimming instructors.

The class met every Monday afternoon at 4:00 in the Y. W. C. A. pool for an hour's instruction. Each girl was required to practice at least once a week other than Monday. After ten weeks of training a test was given by the Dallas representative of the Red Cross Life Saving Corps and the following girls passed the test:

Ruth Agnew
Eileen Brown
Nell Campbell
Helen Dye
Edra Erickson
Alleen Good
Zenitta Hollingsworth

The girls who passed the required examination were awarded emblems and pins. Five hours guard duty were required for every Junior Life Saver as well as the repetition of a similar test.

The entire group not only received a great deal of good from the class but also an equal amount of pleasure.

The Junior Life Savers of Sunset, under the direction of Miss Thoene, assumed the responsibility for the Dip Club and the girls of the club were under the instruction of the Life Savers. This club was organized to prepare the girls for the Junior Life Saving course this Spring.

Posture Week

IN an effort to promote good posture among the high school girls of Sunset, a week in February was set aside for a posture entertainment and dance. A pageant, directed by Miss Thoene and written by Helen Matthews, was given at four o'clock, February 17, in the gym. An admission of twenty-five cents was charged for the entertainment and dance. The student body of Sunset, together with the parents and friends of the students, composed a large number of spectators.

After the orchestra had furnished music for an hour, the Posture Model, Helen Matthews, entered at the center of the Gymnasium and took her place at the center of the platform decorated in purple and white. Good Health, Bessie Lee Dalton, then entered, bearing her name on a placard. She explained what she stood for and tried to persuade the Model, who was searching for a suitable name, to represent Good Health. Juanita Brothers, Betty Brown, Eileen Brown, and Mary Jane Jack, each presented a placard bearing the words, *Personality*, *Happiness*, *Personal Appearance* and *Good Disposition* and were in turn refused by the Model who then asked for a name including all. Minnie Talbot, the Posture Queen for 1928, presented the Model with a placard bearing the words *Good Posture*. The Model accepted the placard, and after each attendant had sung a song describing her name, the Model and attendants in their suitable suits left the Gym.

At five-thirty the last strains of "Home Sweet Home" rang through the Gym, and young and old as they left the dance all agreed it had been a huge success from the standpoint of Posture as well as being one of the best matinee dances ever given.

The Sunset Health Club

THE members of the "Sunset Health Club" are a group of happy, healthy students. Every girl who becomes a member must be within three pounds of her correct weight. A student does not have to be a member at the beginning of the year, but can work up to the standard of the club. The nutrition class is organized for that purpose. In order to see how much the students are gaining, they are weighed each week.

This club is strictly a social organization. Every member is out for a good time, and a number of dances, parties, and picnics were enjoyed after its organization.

The Honor Roll of this club consists of the following:

Bessie Mary Alsworth

Public Speaking Activities

BANQUETS, contests, and plays have headed the 1927 and 1928 calendar of the Public Speaking Department.

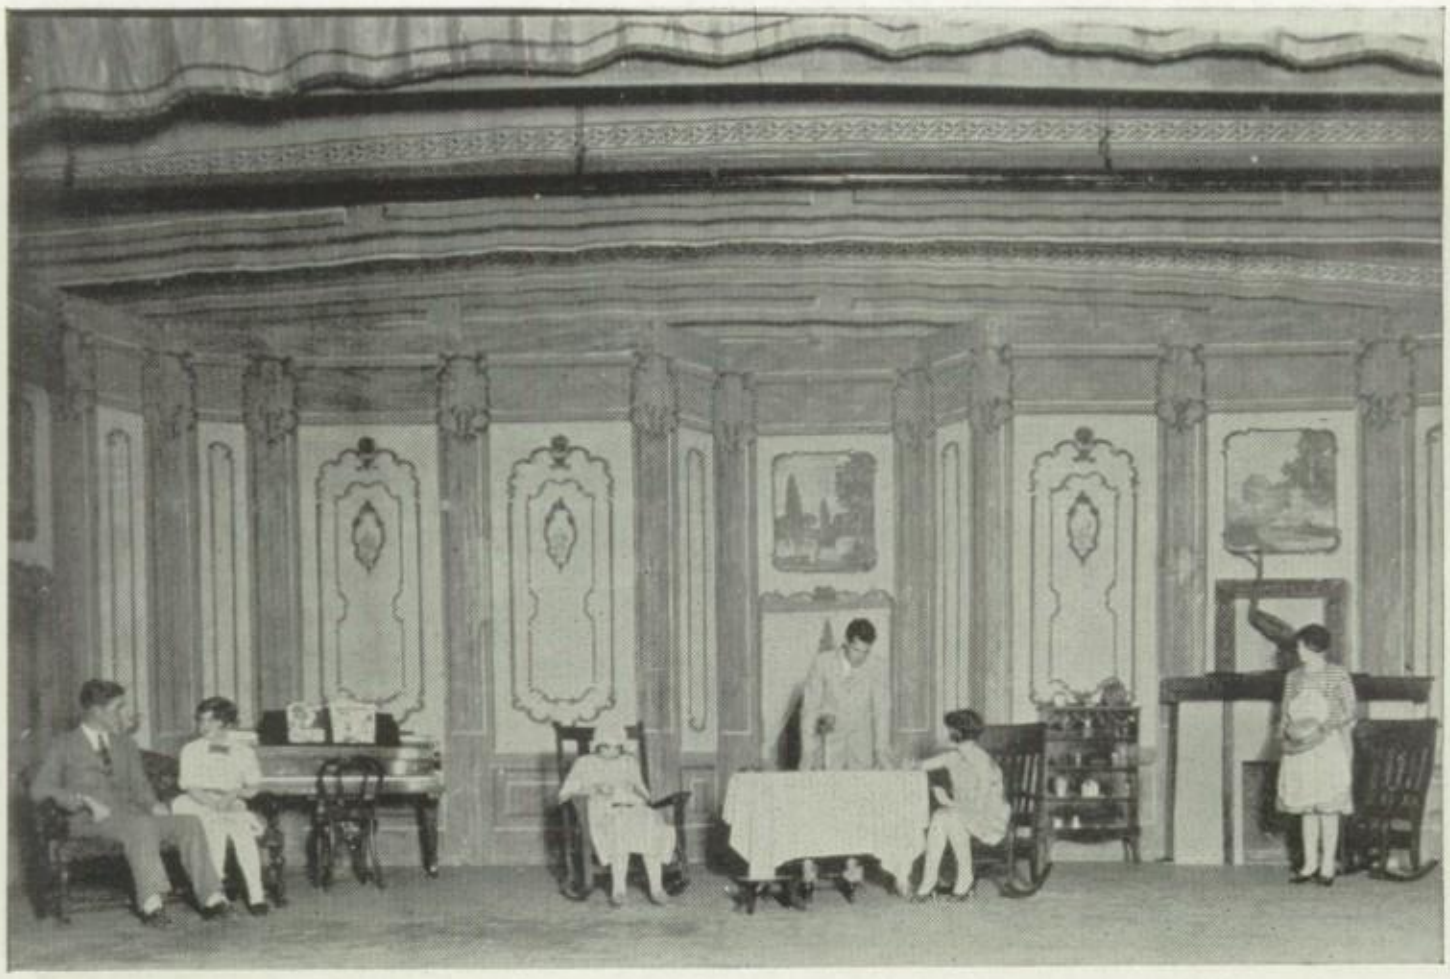
"Daddy Long-Legs" was given in November, "A Christmas Chime" in December, "Trifles" in February, and the "Ghost Story" in March. The January Senior Play, "Come Out of the Kitchen," featured some of the Public Speaking students. "Thy Kingdom Come" was given at Easter.

The contests entered by the pupils in this department were debate, oration, essay, one-act play, extemporaneous speaking, declamation, spelling, and the Greenwood speaking contest.

Two banquets have been given. The first, which was held in January, carried out the idea of an aeroplane. Raymond Ezell acted as toastmaster. The spring banquet, over which Alfred Libby presided, was given with even greater success than the previous one.

The officers elected for the Spring term for the two sections of the department were as follows:

BEGINNING CLASSES		ADVANCED CLASSES	
Don Fox	President	Alfred Libby	President
Llewellyn Davis	Vice-President	Owen Olive	Vice-President
Mae Lea Carter	Secretary	Ella Giarraputo	Secretary
Need McGown	Treasurer	Evelyn Robertson	Treasurer
Mary Webster	Reporter	Sarah Thurmond	Reporter



"Daddy Long-Legs"

THE annual department play was presented on November 10, 1927. It was "Daddy Long-Legs", a comedy in four acts. Many said it was the best high school play ever given.

Everyone knows the story of the play. It is of a talented girl who is in the John Grier Home, an orphanage. One of the trustees becomes interested in her career and sends her to college. There she meets him as "Jervis Pendleton," an uncle of her rich room-mate. They fall in love, but "Judy" will not marry "Jervis" because she is an orphan. "Jervis" interprets her refusal as an acknowledgment of her love for "Jimmie", the brother of another room-mate. In the fourth act "Judy" discovers "Jervis" is her "Daddy Long-Legs" and all is well.

The cast was as follows:

Sadie Kate	Ruth Clark
Gladiola	Velma Porter
Loretta	Louise Rollins
Mamie	Agnes Tribble
Susie	Sue Netta Ford
Freddie Perkins	George Brundrett
Mrs. Lippitt	Allie Couch
Judy	Sarah Thurmond
Miss Pritchard	Louise Walters
Cyrus Wykoff	Billy Egan
Abner Parsons	Alfred Libby
Jervis Pendleton	Gordon Nichol
Sallie McBride	Ella Giarraputo
Julia Pendleton	Lillian Lucas
Carrie	Edna Polley
Mrs. Pendleton	Elizabeth Lawton
James McBride	Tyler Duncan
Mrs. Temple	Floy Braden
Griggs	Robert Bone
Walters	Roy McGown

Just like "Seventeen," "Daddy Long-Legs" was an over-whelming success. We Sunsetters think we have the finest Public Speaking Department and the best coach and instructor in the Southwest.

"A Christmas Chime"

A TRUE Christmas spirit pervaded the halls of Sunset after the December play, "A Christmas Chime," given on the Friday before the holidays.

The following made up the cast which performed at school: "Gladys," Dorothy Buford; "Joe," Jack Morriss; "Dolly," Helen Green and "Ted," Fred Anderson.

The play was also given at the Lions' Club, at the Adolphus Hotel, at the Y. W. C. A., and at the Women's University Club. Those who made up that cast were "Gladys," Ella Giarraputo; "Joe," Billy Egan and Tyler Duncan; "Dolly," Annie Sewell; and "Ted," Kenneth Rice.

The One-Act Play

THE one-act play for the contest among the Dallas high schools that was chosen by the coach, Miss M. G. Myers, was "Trifles," a mystery play. It won second place in the contest, while Sarah Thurmond playing the role of "Mrs. Hale" received the honor of being the best actress over the other girls in the five different high schools plays.

The cast was "Mr. Hale," Arthur Siler; "Mr. Peters," George Richardson; Mr. Henderson," Gordon Nicol; "Mrs. Peters," Allie Couch and "Mrs. Hale," Sarah Thurmond.

The play is the story of a woman who has killed her husband because he killed her canary bird. The men look for evidence, but the women feel sorry for the accused woman and destroy it. The woman is not convicted.

The play, according to those who saw it, was a decided success.

Sunset Contestants

Nichol	Libby	Porter
Richardson	Hoover	Couch

The School Boy's Meditation

Why do we have to go to school
And learn to read and write?
I'd rather grow to be a fool
Than study day and night.

Our English, it is the bunk
And I do not know why,
But every month, I always flunk
Though I just try and try.

Who cares who found our mighty lan'
And how it got its name?
Why do we have to know each man
Who helped to bring it fame?

I know that four and five are nine
And two and two are four,
My grades in 'rithmetic aren't fine
'Cause I don't know much more.

When I am big and president,
My chief aim this will be;
To have a proclamation sent
That'll set the school kids free.

MARION HOWERY.

R.O.T.C.

To Major A. C. Burnett

The Sunset Battalion is grateful to Major Burnett for his judicial guidance during his three years as commandant.

It was through his coaching that the rifle team won honors in the city and Eighth Corps Area matches. Although none of the crack companies won first place in drill competition up to the date the Sundial went to press, it is not to be denied that Major Burnett put forth companies that were worthy of the respect of any competitor in the State.

Major Burnett entered the Service with the rank of private during the latter part of the war and worked his way up to his present rank. He has now been in the service eleven years.

The Sunset Cadet Corps fully appreciates the fine work done by him for Sunset High School.

THE Rifle Team won the city match for the third time in succession; thus the Cup becomes the permanent property of Sunset High School.

They also won second place in the Eighth Corps Area match.

Cadet First Lieutenant Horace Carter won again the title of high-point man in the city match.

Athletics

Football Team, Fall 1927

Coach Bushman

To Coach W. W. Bushman goes the credit for developing the team which brought the first City Series Football Championship to Sunset High School. He has developed his teams from almost raw material and his manliness and squareness have gained for him a place in the heart of every Sunset student. The powerfulness of his team was displayed in the fact that they finished the season without a defeat.

Mr. Chalk—*Business Manager*

A better business manager than Mr. Chalk would be hard to find. As one of the most popular members of the faculty and as a convincing talker, Mr. Chalk has done much to stimulate interest in athletics at Sunset.

Coach Bushman

Thorne Nicols—*Manager*

Thorne proved himself a hard worker when he stayed with the team all season as manager. There are many duties required of a manager and in each of these he displayed his willingness for work. Thorne received his "D" letter with the team and his diploma at midterm.

James Thompson—*Manager*

"Tommy" was being groomed to fill the place of manager for the years to come. His devotedness to his duties proved that the grooming is worth the time.

The Season

Sunset *vs.* North Side (Ft. Worth)

Thoroughly outplaying her opponents, North Side High, Sunset raced to a 12 to 40 victory Friday, September 30, at Fair Park Stadium. North Side threatened early in the game when they blocked a Sunset punt and recovered on Sunset's 13 yard line, but failed to make first down. Injury of Sam McLemore in the first quarter caused him to be carried from the field. Nelson Rees carried the ball to North Side's eight yard line and from here Kenneth Moore scored the first touchdown in the first period.

L. D. Webster, George Richardson, and Capt. Robert Pollard turned in superb defensive games.

Sunset *vs.* Forest

The Bisons defeated the Forest High Lions 6-0 on the North Dallas field, October 11.

In the first three quarters both sides fought hard, but failed to score. In the last quarter the Bisons obtained the ball on their fifteen yard line, and by two passes from Turpin to Webster, brought it to Forest's twenty yard line. Fox then rushed center and put the ball on the Lions' eight yard line. Reese went over for the touchdown.

McLemore was not able to play in this game because of his injuries received during the game with North Side, Ft. Worth. Moore, the other injured player, went into the game, but was brought out in the second quarter. The fact that Sunset played and won the game without these two stars gives still more credit to the Bisons' team.

Sunset *vs.* Ferris

The Sunset Bisons raced roughshod over the Ferris eleven Thursday, October 20, at the North Dallas High Stadium by a 37-0 score. Although the Ferris team had not heretofore been scored upon and were conceded to give Sunset a hard battle, the outcome of the game was never in doubt.

All scoring was done in the second half by the first team after the substitutes had been unable to cross Ferris's goal line in the first two periods. The outstanding team work of the Bisons featured the plays, and the visitors were completely outclassed.

Sunset *vs.* Central

In a game featured by a brilliant ninety-five yard run for a touchdown by Football Moore, the Sunset Buffaloes, after receiving a punt on the five yard line, defeated the Central Hi Panthers by a 20-0 score Saturday, October 29, at Fort Worth. Sunset scored early in the first quarter and retained the lead throughout the game.

The game had the aspect of a real football game from the very beginning until the final period, when Sunset scored twice. The first score came as a result of a thirty yard run by Nelson Rees, after receiving a pass from McLemore. Fox plunged over for the final count after a series of line plunges and passes had placed the ball on the four yard line.

Geyer, Moore, Pollard, Shankles, Rees, and McLemore were the outstanding players of the game.

Sunset vs. Bryan

20-0

Sunset's purple and white gridsters hung a 38-12 defeat on the Bryan Wolves, Saturday, November 5, at Fair Park Stadium.

Bryan held Sunset to a 12-12 deadlock until the last of the first half, when the Wolves' defense collapsed and the Bisons thundered through the remainder of the game to fill out the one-sided score. Sunset's goal line was crossed for the first time during the season when McJunkin, Bryan end, intercepted a pass and ran thirty yards for a touchdown.

The game was loosely played throughout the first half, but great credit must be given the Sunset line of Geyer, Siler, Murph, Duncan, Herndon, Peck and Pollard, as they stopped the off-tackle plays of the Wolves almost without fail.

Sunset *vs.* North Dallas

12-0

A 20-0 victory over the North Dallas Bulldogs on Armistice Day gave the Sunsetters a City Series and a District Three championship. This victory gave the Bisons a clean sweep of the City Series. The goal line of the purple warriors was not seriously threatened throughout the game. The inability of the North Dallas players to stop Football Moore cost them the game. The team displayed excellent teamwork.

The work of Fox, Moore, Reese, Peck, Geyer, Pollard, and Shankles was outstanding.

Sunset *vs.* Polytechnic

30-12

The Sunset High School football team scored one of its most decisive victories of the season by downing Polytechnic Friday, November 18, by a 30 to 12 score.

The brilliant work of Kenneth (Football) Moore was responsible for four of Sunset's touchdowns, each of them coming after broken field runs of from twenty to forty yards. Sunset closed the district season with a perfect record, having a victory over every team in District Five.

The main stays of the Bisons were Moore, Riley, Pollard, Geyer, Peck and Murph, although the entire team turned in a good game.

Sunset *vs.* Oak Clff

13-7

Capt. Robert Pollard wound up his high school career as a Bison football player Friday, November 25, when he led his purple gridsters to a 13-7 victory over Oak Cliff in one of the fastest games of the year. This was the first game of the sportsmanship series, in which Oak Cliff High School played the other high schools of the city.

The Leopards of Oak Cliff got a break in the first few minutes of play when they covered a Sunset fumble on the Sunset thirty yard line. Here they displayed a fierce off-tackle offensive and easily carried the ball over for the first pointer of the game. Sunset experienced great difficulty in stopping Blanton and Sprague of the Leopards as they constantly broke through the Purple line for substantial gains during the first two periods. Sunset came back in their second half, an inspired eleven, and thoroughly outplayed their former schoolmates during the rest of the game. Reese starred at carrying the ball at this stage of the game. Early in the final period Turpin dropped back and passed to Pollard, who caught the ball with three Oak Cliff men on his heels and went over for Sunset's first score. Reese caught a pass over the line for the extra point and the score stood 7-7 with only a short while to play. Within a few minutes after play was resumed Pollard again displayed his superiority over the other ends of the city when he snagged another long pass, this time from McLemore, and was brought down on Oak Cliff's eight yard line after a short run. Fox went over for a touchdown. This game closed the season for Sunset. The Bisons were undefeated but were unable to continue in the race for the State Championship because of an ineligible player on the team.

Geyer, Moore, McLemore, Pollard, Peck, Siler, Fox, Reese, Shankles, Murph and Riley started the game for Sunset. Turpin went in for Moore in the first quarter and turned in a splendid game. All of these men starred, not only in this game but throughout the season.

Although City and District Champions, the Sunset football team was unable to enter the state race because of an ineligible player on the team. Forest Avenue High School was selected to represent this district in the state finals.

As City Champions, the first Sunset football team ever to win such laurels, the schools received two large silver loving cups. After the Sportsmanship Series, Sunset was awarded the Sportsmanship Trophy as winners of the series, which was judged on a three-point basis, sportsmanship, attendance and actions of the players. This award was a bronze statue of a football player. As City Champions these gridiron stars were honored with a banquet and presented individually with gold footballs. Watch this team in the State Race next year!

ROBERT POLLARD—*Captain-End*

Third Year—All-City

"Polly," for three years an outstanding player, ended a brilliant career in high school football with the satisfaction of having led a Sunset team to a City Championship. Robert is an example of that type of consistent player who fights every second of the game. He plays a fine defensive game and seldom misses a tackle. Probably the best beloved athlete Sunset has turned out, Polly was selected end on all the All-City teams. He graduated in January, 1928.

KENNETH MOORE—*Halfback*

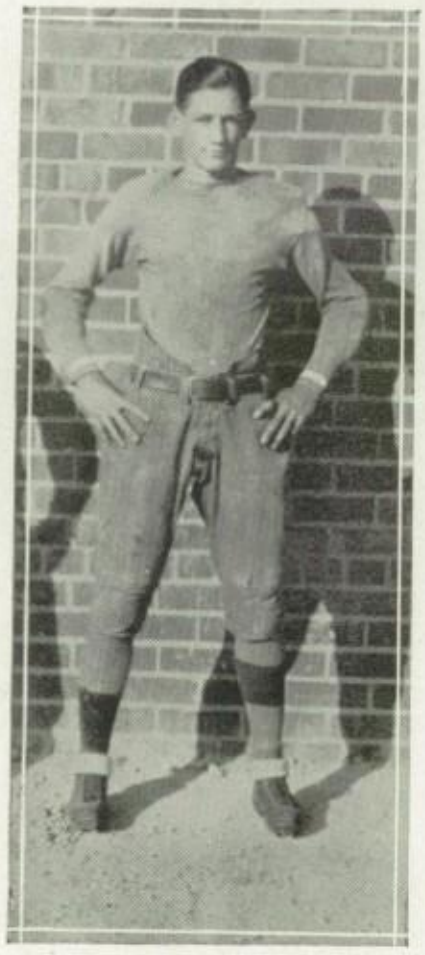
Third Year—All-City

"Football" was the star of the intercity series. He was not only one of the most stellar players on the team but one of the most feared men in the state. He lead the entire team in scoring and was a main factor in the Bison offensive as well as a hard man to run around. To Kenneth goes a great deal of the credit for the success of the team this year. He was unanimously selected as halfback on the All-City teams. He will not be back next year.

DON FOX—*Fullback*

Second Year—All-City

Don is a good plunger, hard to stop. He was switched from his position of guard which he played last year to full and the change was fully justified when he became the hardest plunger on the team. He is a fighter and was a valuable asset to the backfield. Don will play for Sunset next fall.



NELSON REES—*Full*

Second Year—All-City

"Piper" turned in a good game and his heavy thinking and hard training were greatly in his favor as a fullback. He was probably the hardest man to stop on the team. He is a shifty broken field runner who certainly deserves his position on the All-City team. He will not report for the 1928 squad.

SAM McLEMORE—*Quarter*

Second Year—All-City

Sam held down the job as quarter this year. He was out part of the season from injuries but was soon back on his job. He is a keen diagnoser of plays and a fine punter. He will be back to earn his third letter next year.

PAUL PECK—*Tackle*

Second Year—All-City

"Pedro" was one of the hardest players on the team. His use of his hands enables him to play a consistent game on the defensive. Offensively he was always dependable whenever a hole was to be opened. He was one of the leaders in that fighting spirit of the team and if he is unable to play next year Coach Bushman will have a big place to fill.

LOUIS SHANLES—*Guard*

Second Year—All-City

Louis lived up to the predictions of his fellow stars when he developed into one of the best linesmen on the team. He puts his best into every play and what he lacks in knowledge of the game he makes up in fighting spirit. Louis received his letter with the knowledge that it was the last he would ever earn from Sunset. He graduated in January.

BENTLEY MURPH—*Tackle*

Second Year—Second All-City

"Murph" was one of the mainstays of the tackle positions. He is a scrappy player and gives his best to the team. Murph will not be back next year.

L. D. WEBSTER—*Halfback*

Second Year—Second All-City

"Red" with his brilliant pass-snatching was one of the main factors in the Bison aerial offensive. As a constant ground gainer he will be welcome back next year.

FERD GEYER—*Center*

First Year—Second All-City

"Ferdie" was the best rookie to make the team. He is filled with that fighting spirit and dependableness of work that are so essential to teamwork. "Ferdie" has two more years.

BILL CARTER—*Quarter*
Second Year

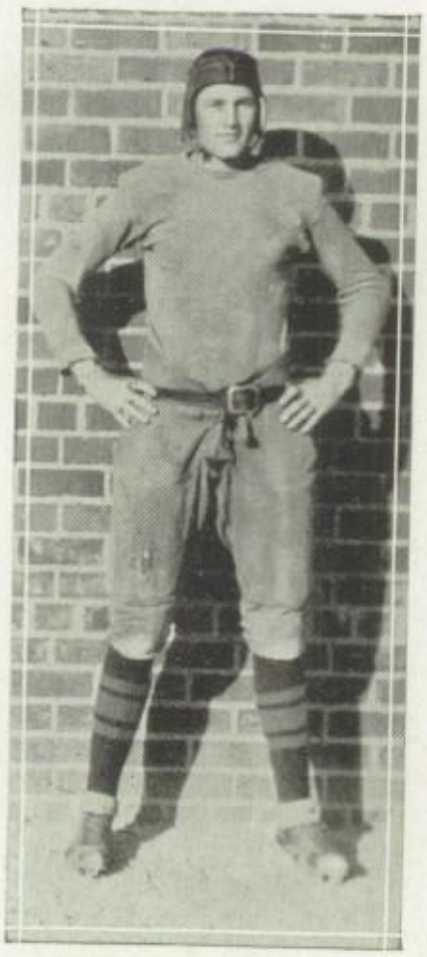
Bill was the pocket edition of an iron man on the 1927 team. He always broke into the lineup and proved his worth.

CLEVE NASH—*Guard*
First Year

Cleve was light on the bench and could always be depended upon to play a hole.

JAMES HERNDON—*Guard*
First Year

"Suction" was one of the most likeable fellows on the team. He also developed from last year's "rookies."



OWEN McDOWELL—*End*
First Year

Owen never fails to carry himself like a veteran and always plays a steady game.

GEORGE RICHARDSON
Guard
First Year

George, when once started, is hard to stop and sometimes even has difficulty in stopping himself.

J. C. TURPIN—*Halfback*
First Year

"Turp" is a sterling halfback who should be of inestimable value to the team next year.

ARTHUR SILER—*End*

First Year

"Siler" was one of the few new men to break into the lineup.

GLEN CORNELIUS—*Tackle*

First Year

Glen was another man who won his spurs by hard training. He will be missed in 1928.

JAMES RILEY—*Tackle*

First Year

"Roughhouse" should prove a star next year, his last year in school.

LOWELL LOCKHART—*End*

First Year

"Lowell" is a man who never failed to make an attempt for the tackle and when he was given a chance on the team he made it.

WILLIAM LEE—*Tackle*

First Year

"California" proved that he will be a regular next season by his all-around fine playing.

CLOIS ROBERTS—*Full*

First Year

"Red" is a clever plunger, a ready fighter, and is possessed of the qualities from which he should develop into a star.

The Basket Ball Season

Sunset *vs.* Bryan

26-24

The Sunset High School basket ball team won their first City Series game Thursday, January 19, at Fair Park, when they defeated Bryan High 26 to 24.

The Bison five took the lead from the initial whistle and flashed an offensive which placed them in the lead for the entire game. At the end of the third quarter Sunset held a 26-13 advantage. Fast playing by the Wolves during the final period left the Sunsetters with a two-point lead as the game ended.

McDowell, Webster, and Gamble led in scoring while Riley's defensive game featured the play.

In the opener Sunset's second team was nosed out by the Bryan seconds, 21-13.

Sunset *vs.* Oak Cliff

26-18

The Sunset Bisons overwhelmed the Oak Cliff Leopards Monday, January 23, 26-18. The game was featured by the fierce guarding of the Sunset team and at no time did the Leopards break through to score consistently. Coach Bushman's boys got started early and led Oak Cliff throughout the game.

McDowell at center and Gamble at forward were stars for Sunset.

Sunset's seconds lost to the Oak Cliff seconds 14 to 6.

Sunset *vs.* Forest

24-28

Led by Webster, Pollard, and Gamble, the Sunset Basketeers led the Forest Lions through three quarters of a very fast basket ball game, Friday, January 27, only to be nosed out 28 to 24 in the closing minutes of play. Captain Pollard played his last game for Sunset when he led the Bisons in one of the best played games of the year. Webster with ten points led the Sunset team in scoring. This was the first athletic contest that Sunset lost during the 1927-28 school year. Forest seconds defeated Sunset's seconds to begin the double loss.

Sunset *vs.* North Dallas

42-20

North Dallas fell before the powerful Sunset basket ball team Monday, January 30. The 42-20 score was thoroughly decisive and the Bulldogs were thoroughly outclassed. The North Dallas team experienced great difficulty in getting the ball down the court through Riley and Olive.

McDowell and Gamble vied for scoring honors with McDowell slightly in the lead.

The Sunset seconds led off with a 23-14 victory. This was their first win of the season. The entire team played a fast game.

Sunset *vs.* Bryan

37-21

The Sunset High School Buffaloes won their fourth City Series basket ball game Monday, February 6, when they took their second straight from the Bryan Wolves, 37-21.

The game was featured by the efficient sharpshooting of Gamble and McDowell and by the fierce guarding of both teams. 32 personal fouls were called on the two teams. The Wolves lacked the power that they displayed in the former tilt, and the Sunset team had an easy game.

The second team furnished the thrill when they won an extra time game on the two free throws made by Patterson.

Sunset *vs.* Oak Cliff

36-28

Led by McDowell and Gamble, the Bisons came out on the big end of a 36-28 score to take their second straight from the Oak Cliff Leopards Thursday, February 9. The Sunsetters got off to a slow start but at the end of the third period were playing at full speed. At the end of the first half Sunset led 17 to 6, but the scoring threat of Oak Cliff gave the Sunset forwards real competition during the remainder of the game.

Riley, with his close guarding, gave Oak Cliff trouble, while Len Gamble and Owen McDowell featured offensively.

In the game between the second strings Patterson and Boyle featured in a 20-19 loss.

Sunset *vs.* North Dallas

59-9

The Sunset Buffaloes waded through North Dallas with a 59-9 score Saturday, February 11. Thirteen minutes of the game had become history before the Bulldogs were able to score. Not once did North Dallas threaten. Sunset closed the first half with a 35 to 2 advantage. The plays of the Bisons were rarely intercepted, and many points were made without North Dallas's touching the ball from the tip-off. It was the easiest game of the season for the Bisons. Even the substitutes scored easily when they replaced the first string.

Red Webster and McDowell played fine games.

The second team lost in a 14-12 struggle.

Sunset *vs.* Forest

The Sunset basketeers dropped their second City Series game to Forest Tuesday, February 14, by a 21 to 20 score in one of the hardest fought cage encounters of the season.

After having previously suffered a defeat at the hands of the Lions, the Sunsetters were out for a win but the team missed countless opportunities to forge ahead by missing seemingly crip shots. The Buffaloes kept the sphere under the Forest High basket during the greater part of the game but were unable to score consistently.

Gamble, Olive, and Riley featured.

Coach Frank's second team lost to the young Lions.

This game ends the City Series for our basket ball team, the most successful to ever play for Sunset.

A. A. U. Tournament

As representatives of Dallas at the A. A. U. Tournament held at Athens, February 16, 17, and 18, the Sunset Bisons won third place and were awarded a beautiful loving cup and ten silver basket balls.

Sunset defeated Rice 47-19 and Wills Point 30-26 before losing to the fast Athens quintet, winners of the A. A. U. title, 45-27. Sunset got a bad break when they were matched in the lower bracket with Athens, while if they had been placed in the upper bracket, they would in all probability have emerged runners-up for the title. After having lost to Athens, the Bisons played Tyler for third place. Tyler received a sound touncing at the hands of our dribblers, 38-19.

The fast playing that our team displayed was rewarded when Riley and Webster were given berths on the A. A. U. all-state team.

Captain Robert Pollard—*Guard*

Second Year—Second All-City

"Polly" was a constant threat to the opponents' basket from mid-court, which with his speed and fine defensive play made him one of the most feared men on the team until his graduation in January. He was an ideal captain and will be greatly missed in 1928 athletics.

Co-Captain L. D. Webster—*Forward*

Third Year—Second All-City

"Red," a great passer and a fine dribbler, was one of the main factors in the Bison offensive. His constantly accurate goal shooting earned him his place on the all-star A. A. U. quintet. He will be back next year.

Co-Captain James Riley—*Guard*

Second Year—All-City

"Roughhouse" puts more fight into his play than any other man on the team. He certainly lived up to his name during the 1928 basket ball season. As a hard fighter, excellent guard, and passer, he will be welcomed back next year. Roughhouse also made the all-star A. A. U. team.

Owen McDowell—*Center*

Second Year—All-City

"Mac" earned his place on the team through supernatural ability to ring the basket. He is one of the hardest trainers on the team. Owen has two wonderful years before him and should repeat as an All-City player in both of them.

Lenn Gamble—*Forward*

First Year—All-City

"Ark" has more natural ability than any man who lettered in basket ball at Sunset this year. He came to Sunset practically unknown but before the close of the basket ball season he had earned a place in the heart of every Sunset student. Lenn will graduate with the June 1928 class.

Owen Olive—*Center—Guard*

Second Year—Second All-City

"Loper" was able to use his height to a great advantage. He was an important clog of the team as all plays were built around his getting the ball on the tip-off. The opponents rarely got more than one shot at Sunset's basket before Owen caught the ball and passed in down the court. He will be back in 1928.

Paul Peck—*Guard*

Second Year

Paul is one of the sturdiest men at Sunset and it is exceedingly hard to dribble through him with a basket ball; for this reason he turned in some good games at his position. Paul will probably be back next year.

Ferd Geyer—*Guard*

First Year

"Ferdie" started the year on the second team but soon broke into the first team games. He is a hard worker and tends strictly to his business when he is playing basket ball. Ferd has two more years.

Nelson Rees—*Forward*

First Year

"Nelsie" was unable to display his real strength as a court man as he graduated at mid-term. He was one of the most popular men of the squad.

Sam McLemore—*Forward*

First Year

Sam seems to be able to play anything. He is an accurate goal shooter and has an extra amount of fight. He will be back next year.

These men played on the Sunset second team coached by W. D. Franks:

Clifton West
Bill Patterson
Nat Wilson
Eddie Boyle
Don Fox
Arthur Siler
Temple Terry
Ralph Rowe
Sam Cooper
Buster Pope

Track

Kenneth Moore, *Captain*

Diminutive Kenneth Moore, Sunset's flash in the short dashes, may be complimented for his unexcelled captaincy of the track team this year.

Relay Team

It has been said that "Spud" Teague, Sam McLemore, Kenneth Moore, and W. J. Saunders, made of themselves one of the best relay teams in the city.

W. J. Saunders

Saunders' time on the 440 is 53 seconds. The world record is "48"; so judge for yourself as to whether he is fast.

A. C. Siler

As Arthur is a good high hurdler and high jumper now, and not through growing yet, what will he be when he "grows up"?

Barksdale Howard

"Bark" can run the mile for us two years yet, and as a result of this year's training he will be one of the best in the city next year.

Owen McDowell—*Pole Vault*

We expect McDowell to make a name for himself in track before he finishes at Sunset, for we all know he has the ability.

Robert Keesee

Robert has the right form and can get height in the high jump, and it is our only wish that he may be back next year.

"Spud" Teague

"Spud," the potato man, certainly peels the 220 fast and is a man to be relied on in the relay.

Vinney Smith—*Manager*

"Doc," as he was christened by the track team, has done his share and then some toward helping the track team. He is the peppy little business manager.

Douglas Wall

A good pole vaulter is he; he should be the best in the city next year.

Sam McLemore

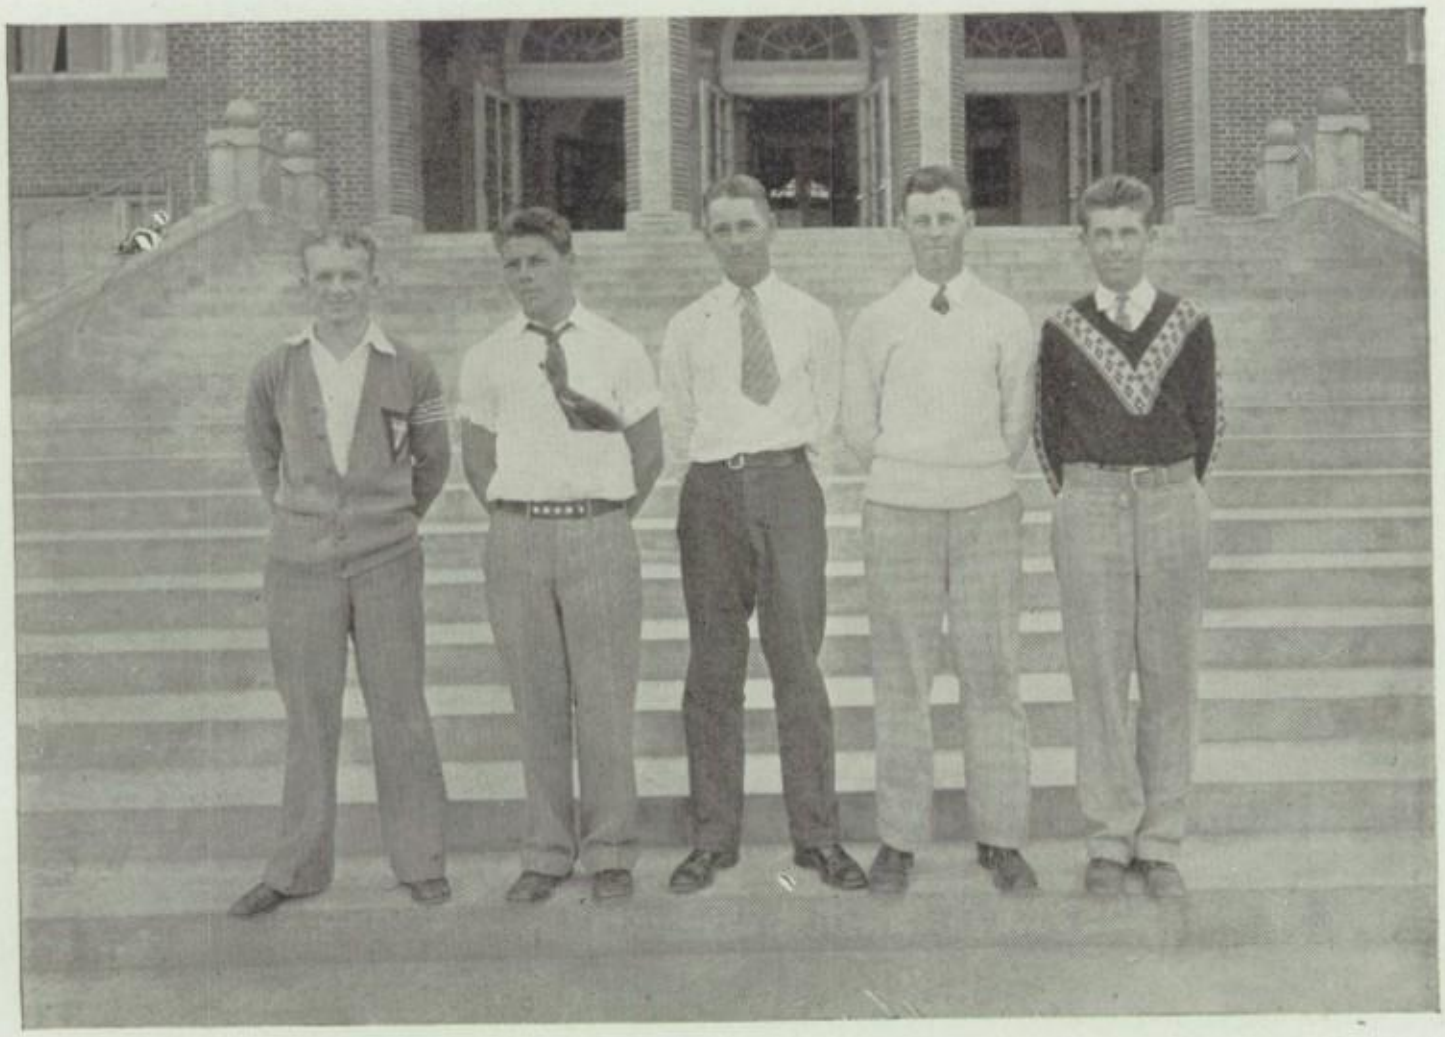
Sam is a man who can be relied on to do his part at any time toward helping the team stack up the points.

Kenneth Jones

Jones, though he is not a Smith, helped to do his part on the track team this year. He will be a good miler next year.

Ralph Carnes

Ralph worked most at hurling the javelin and by next year will make somebody hurl it many feet to beat him.



Sunset Golf Team

THE members of the Sunset Golf Team are Lafayette Franks, captain, Gus Moreland, Ed Orman, Fred Bedford, Alfred Libby and Herbert Burris. Hugh Carpenter, last year's captain and star performer, was a member of the team until he graduated in mid-term.

As the Sundial goes to press, the Bisons are leading the city series. The percentage is as shown below:

	Points won	*Points lost*	*Percentage*
Sunset	28	5	.848

SUNSET 4—BRYAN 1

Gus Moreland and Herbert Burris won 2 and lost 1 points. Ed Orman and Fred Bedford won 2 points.

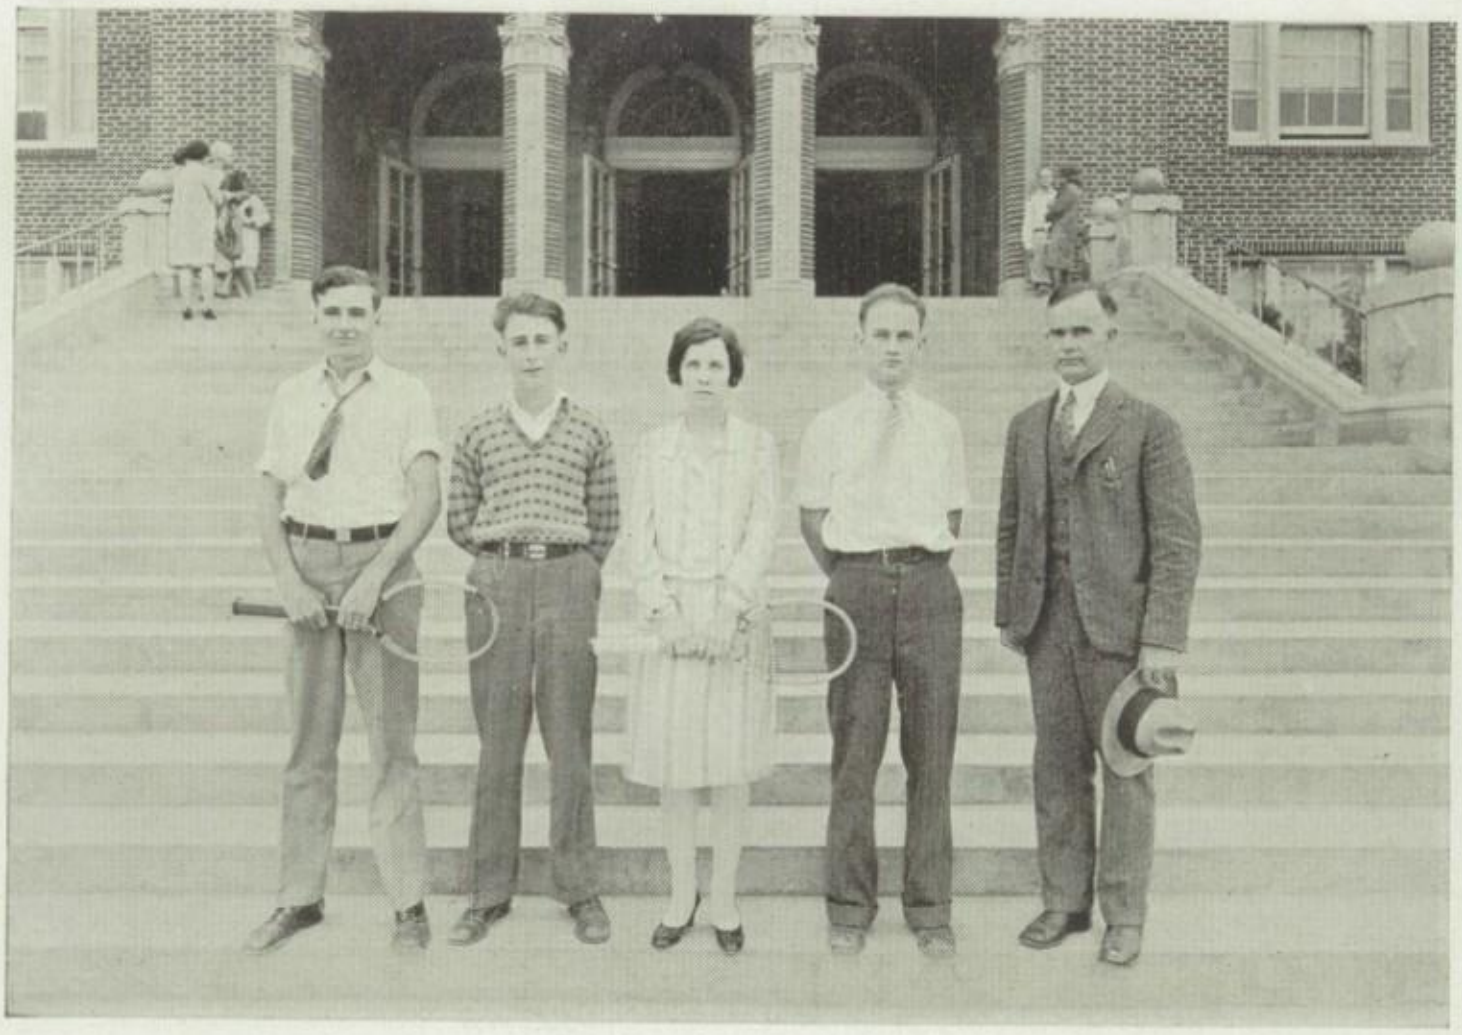
SUNSET 5—NORTH DALLAS 0

Gus Moreland and Ed Orman won 2 points. Lafayette Franks and Fred Bedford won 3 points.



Tennis

THE year of nineteen hundred and twenty-eight was a very successful year for the Sunset Tennis Team. At the first of the tennis season Sunset had a very hard time deciding who would be on the regular team, and finally the following were chosen through the process of a school tournament: Walter Quinn, singles and doubles; Leonard Platt, doubles; and Faith Wayne, singles. Mr. Maiden was appointed by Mr. Fouts as the tennis coach, and the tennis team can never express its gratitude for his faithful service.

Faith Wayne by defeating the girl representatives of the other high schools won the City Championship in singles. Faith represented the city in the district meet which was held in Denton.

The following schedule was carried out:

	Girls' Singles	*Boys' Singles*	*Boys' Doubles*
Sunset vs. Oak Cliff	6-1 6-2	2-6 3-6	3-6 4-6
Sunset vs. North Dallas	6-2 6-3	4-6 6-2 6-1	1-6 2-6
Sunset vs. Bryan	6-0 6-1	3-6 4-6	4-6 3-6
Sunset vs. Forest	6-1 6-2	6-0 6-2	4-6 6-3 6-1

For the purpose of creating an interest in tennis, another inter-high school tournament was held.

SENIOR LULLABY

Rock-a-bye, senior, in the tree top,
As long as you study your grades will not drop
But if you stop digging your standing will fall,
And down will come senior, diploma, and all.

❖ ❖

Rupert had a wad of gum;
He chewed it long and slow,
And everywhere that Rupert went
That gum was sure to go.
He took the wad to school one day,
Which was against the rule;
Miss Hackett took the wad away
And chewed it after school.

Wind, wrote little David M., is air that got in a hurry.

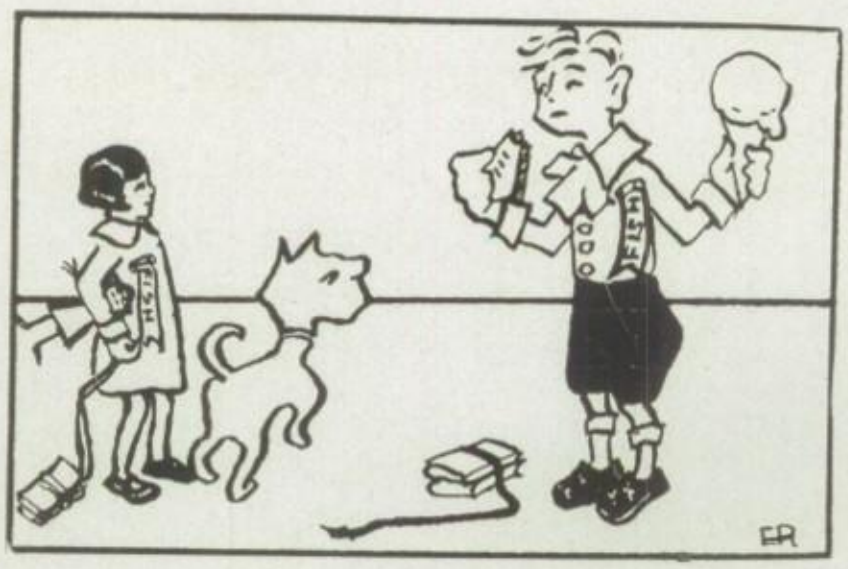
Fish: "Quick, a mad dog just went into Mr. Wilson's office."

Tyler Duncan: "Well, let it get out the best way it can."

❖ ❖

Ella: "Doctor, can't you help me? My name is Giarraputo."

Doctor: "I'm sorry, miss, I simply can't do anything for that."



Mr. Wilson: "Now, Barbara can you give me any reason why I should not punish you for your disobedience?"

Barbara: "Yes, dad, the doctor said you weren't to take any vi'lent exercise."

"I wish you'd stop raving about your ancestors Lou, pretty soon you'll be telling me that they came over on the *Mayflower*."

"Oh, no, they had a special boat."

Wild Bill: "Look at that rhinoceros."

Squirrel Libby: "In your muff, that ain't no rhinoceros; that's a hippopotamus. Can't you see it ain't got no radiator cap?"

George Richardson: "Say, do they feed people here?"

Waiter: "Sure we do, but we don't load trucks."

Captain Elfenbein: "Present arms."

Sergeant Donworth: "Here you are, Captain."

—just a word to Graduates:

SUCCESS sometimes seems to be a matter of chance and good luck. But it is nearly always the result of years of labor and patient effort.

This point was the cause of the famous misunderstanding between Whistler, the artist, and John Ruskin. The latter had belittled the value of a painting which Whistler had sold for a thousand pounds.

"How long did it take you to paint it?" asked Ruskin.

"About an hour," Whistler replied.

"What! You asked a thousand pounds for one hour's work!"

"Yes," said Whistler, "but it took a lifetime of study to learn how."

Our congratulations
to the Graduates of 1928!
May your futures be happy and
successful—and may you always get
the full fruits of your labors

Smog

ANOTHER new word - - *smog*. A weather man in a smoky city dug it up. It means a heavy blend of smoke-soot-and-fog in the early morning. ¶ This is one word Dallas people can not use, amusing though it is. They have no smog. ¶ Dallas has natural gas.

Craftsmanship

~the embodiment of skill and handiwork, demands a care, a faith and a hope that can only be acquired through inherent ability, a desire-to-do and a time-proven experience. All of these requirements of craftsmanship give vivid proof of their existence in the craftsmen of the *House of Zeese* by the superiority and individuality of the finished product. ~ ~ ~ ~
